

# Corporate Advisory Council

---

Army Institute of Management & Technology always aims at bridging the huge gap between the actual practices of the corporate world and the academia. This was done by bringing some of the top corporate functionaries together through its Corporate Advisory Council(CAC). The second CAC meeting was held on December 13, 2014 at AIMT campus. Our esteemed CAC members are:

- |                          |   |
|--------------------------|---|
| 1. Mr. Raghu C.V.        | Senior Director Legal & Regulatory Affairs – Max India Ltd. |
| 2. Mr. M.A.Mateen        | Head Finance – British Paints India Ltd.                    |
| 3. Mr. Vikas Swarnkar    | Country Manger- Case-mate India                             |
| 4. Mr. Jay Prakash       | Technical Analyst - TCS                                     |
| 5. Ms. Ranjana Mudholkar | Director- I – Flour Daniel India Pvt. Ltd                   |
| 6. Mr. Amit Shukla       | GM – Marketing Institutional Sales – DS Group               |
| 7. Mr. Dhruv Dhanda      | Director- Energized Solutions India Pvt. Ltd.               |

Some new members of the council are as under-

1. Mr. Nalin Sachdeva, Global Innovation & Execution Leader, GE India
2. Mr. Sandeep Kumar, AVP- HR, Sodexo India
3. Mr. Ajay Khanna, 5<sup>th</sup> Element Hospitality – Founder Director
4. Mr. Vivek Katoch, Director- Business Development Reprise Media

As the academia and the industry are stake holders in the process of creating the intellectual capital for the nation through skilling and educating the youth, therefore the requirement for B schools today is skilling the management professionals for appropriate capabilities as per the industry requirements.

Our agenda for the CAC is benchmarking the employability skills and SKA matrix, evaluation of individual capabilities, monitoring the progress of the institute on mutually agreed agenda.

AIMT always welcomes the industry for knowledge creation and transfer, establishing appropriate labs and creating virtual environment (role play) for simulated On the job trainings, preparing appropriate case studies and training capsules on issues relevant to Indian environment, in campus and in company training – Management Skills Development Program.

The industry guests would also offer live projects, new ideas and suitable research problems as part of knowledge creating besides training the faculty to ensure realism and relevance in teaching as requested by the director.
