

Guest Session on Cyber Security

To understand nuances of Cyber Security, a Guest Session on Cyber Security was delivered by Mr Rakshit Tandon on 6th Dec 2016. Mr Rakshit Tandon is a Cyber Security Expert and Consultant- Internet and Mobile Association of India and Advisor – Cyber Complaint Redressal Cell, U.P. Police Agra. The session focused on different threats that an individual is susceptible to while using smart technology like smart phone (android and iOS), Facebook, Whatsapp. The speaker also discussed ways to guard from the threats and stay safe online. The students could easily connect with his examples and were deeply impressed with his expertise on the subject matter. The session ended with lot of accolades after the answers of lot of queries raised by students were adequately addressed.
