

ZENITH HR Club Activity

“LATERAL THINKING AND TEAM BUILDING”

Zenith Club (HR CLUB) of AIMT organized two activities on 19th April 2022. The main objective of these activities was to see the creativity of students, awareness of their surroundings and their coordination while working in a group. The activity was organized by the club members. Five teams participated in both the activities. Teams were made according to their batches.

The first activity was “Think outside the Box” and the second part was “Shape it Bend it”. Each team consisted of two members. The winner of the activity was BBA 03.

The Second activity was “The Snake & Balloon”. In this, each team consisted of 8 members in their team. There were a total of 5 teams. The main objective of this activity was not just to see the team coordination between the team members but also test the knowledge. The winner of the activity was BBA 04.

"The way a team plays as a whole determines its success. You may have the greatest bunch of individual stars in the world, but if they don't play together, the club won't be worth a dime." – Babe Ruth.

The vote of thanks was given by Sourabh Singh of MBA 19, student coordinator of HR Club.
