

Cloth Donation Drive on 16th December 2023

A Cloth Donation Camp was organized by the Braveheart (ISR (Institutional Social Responsibility) Club of Army Institute of Management and Technology on December 16, 2023, with the primary objective of creating awareness and soliciting clothing donations for the underprivileged. The event aimed to foster a sense of social responsibility and empathy within the college community.

Various communication channels, including posters, announcements, and interactive sessions, were utilized to engage the college community in the noble cause, resulting in a heartwarming response. A substantial donation of clothing, a suitcase, and two pairs of footwear was received, reflecting the compassion and altruism of our college members.

The donated items were given to the dedicated housekeeping and other workers and laborers of our college, providing essential clothing to those in need and serving as a gesture of appreciation for their tireless efforts in maintaining our college environment.

Gratitude is extended by the ISR Club to all the donors, volunteers, and the college administration for their unwavering support. The success of the Cloth Donation Camp was made possible by the generosity and active participation of each member of our college.
