

Guest Session on Thematic Appreciation Test

Army Institute of Management & Technology, Greater Noida organized a Guest lecture for MBA student's specialisation in Human Resources on 11th Feb 2020 by MajPunjab Singh (Retd.) Maj Punjab Singh graduated from National Defence Academy in 1980 and served in Grenadiers Regiment. Presently he guides candidates joining forces and prepares them for SSB. In his session, Maj Punjab Singh first introduced about Projective Techniques covering Thematic Apperception Test (TAT) and Word Association Test (WAT). This was followed by discussion on the typical qualities desired in defence officers, background and details of TAT and WAT, how the tests are used and administered, how the tests are interpreted to find the desired qualities for job. The session ended with interpretation of stories written by few students. The session was well received by the students who understood the importance of projective tests in predicting human behaviour.
