From Editorial Desk

In this latest edition of AIMT Insights vol 10 Issue 3; we are delighted to announce the commencement of exciting new beginnings at AIMT. The launch of our new MBA and BBA batches is a momentous occasion, signifying the institution's commitment to providing quality education. A special accolade goes out to our pioneering MBA Analytics batch, marking a significant stride in AIMT's journey. This venture into the realm of analytics positions AIMT alongside esteemed institutions offering cutting-edge Analytics programs.

This quarter has not only been about serious academics but also about fostering a vibrant campus life. Our Freshers event, uniquely themed as "Brabie Heimer," added a touch of creativity and fun to the student experience, creating lasting memories.

Beyond the classroom, AIMT continues to thrive with a dynamic mix of curricular and extracurricular activities both on campus and online. These activities reflect our dedication to a holistic learning experience.

The quarter also highlighted the paramount role of Human Resources at AIMT through the successful execution of FDP/MDP programs. These initiatives underscore our commitment to grooming well-rounded professionals who not only excel academically but also understand the significance of HR in the corporate world.

The AIMT community is excited about the future, and we are committed to nurturing academic excellence, fostering creativity, and promoting all-round development.

Stay tuned for more exciting updates and insights from AIMT!

Bidding Adieu

Col. Rajendra Pandey

AIMT bid a heartfelt adieu to a remarkable leader, Col. Rajendra Pandey, who has served as the Registrar of AIMT for approximately six illustrious years. His tenure has been marked by dedication, excellence, and a commitment to the growth and success of the institution.

Under Col. Pandey's able leadership, AIMT has achieved new heights, setting milestones in the field of education and management. His unwavering dedication to the welfare of the students, faculty, and staff has left an indelible mark on the institution.

His visionary leadership, exemplary organizational skills, and tireless efforts have not only elevated the standards of AIMT but have also earned him the respect and admiration of all who have had the privilege of working with him.

As AIMT expresses gratitude for his invaluable contributions, we wish Col. Rajendra Pandey a well-deserved and joyful retirement. His legacy at AIMT will continue to inspire us as we move forward, building on the strong foundation he has laid.

Join AIMT in celebrating his remarkable career and wishing him a future filled with happiness and new adventures. Farewell, Col. Rajendra Pandey! You will be deeply missed, and your legacy will forever shine at AIMT.

Bidding Adieu

Dr. Ruchi Verma

In the month of July, AIMT (Academy of International Management & Technology) said its heartfelt goodbye to a cherished member of our faculty, Dr. Ruchi Verma. As she embarks on a new chapter in her professional journey, we take a moment to express our appreciation

for her invaluable contributions and wish her the very best in all her future endeavors.

During her tenure as an Assistant Professor in General Management, Dr. Verma made a significant impact on our institution and the students she taught. Her passion for teaching, depth of knowledge, and dedication to the growth and development of our students have left an indelible mark on AIMT.

Thank You

AIMT WELCOMES

Mr. Vishal Malhotra

In the month of July 2023, AIMT welcomed Mr. Vishal Malhotra as the new Chief Recruiting Officer. His arrival has been met with a warm and enthusiastic reception by the Institute. AIMT is excited to have him on board and look forward to the contributions and expertise he will bring to the role of CRO. His experience and skills are expected to make a positive impact on the recruitment efforts and help AIMT achieve its goals and objectives.

We extend our heartfelt welcome to Mr. Vishal Malhotra and wish him a successful and fulfilling journey in his new position at AIMT.

Ms. Raman Arora

AIMT is thrilled to welcome Ms. Raman Arora to the AIMT (Army Institute of Management & Technology) family as its newest Assistant Professor in Marketing Management. With an extensive background in the field and a passion for educating and inspiring future leaders, Ms. Arora brings a wealth of knowledge and experience to the institution. AIMT looks forward to the valuable insights, fresh perspectives, and academic rigor that Ms. Raman Arora will bring.

It extends the warmest welcome to Ms. Arora and look forward to a journey of growth, collaboration, and success together. Her addition to the AIMT faculty is a source of pride and inspiration, and AIMT is excited to witness the positive impact she will undoubtedly make on the students and the institution as a whole. Welcome aboard, Ms. Raman Arora!

GET INSPIRED!!!

‘Seeing Opportunity In Obstacles’

With her business, The FRESHGLOW Co., famous young entrepreneur in India, Kavita Shukla has made an enduring impression on the health and wellness sector. The FRESHGLOW Co., which was founded in 2006, has been selling a variety of goods that support health and well-being, including FreshPaper, a ground-breaking item that keeps food fresh for longer periods.

The FRESHGLOW Co. is one of India's most sought-after companies in the health and wellness industry, thanks to Shukla's creative thinking and uncompromising dedication to sustainability. Several awards have been given in recognition of her achievements, including a place on Forbes' 2016 list of the 30 under 30 in Asia.

(Founder, FRESHGLOW Co.)

Alumni Speak

STEP OUT STEP BIG

As an Alumni, I am honored to share my thoughts and experience here. While I was at AIMT, I was guided and mentored by the best, not just faculties but also the best of people. When I first entered AIMT I was anxious about my future. Over the two years, so many doors were opened for my personal and academic development that I became confident.

The college aims at enhancing our knowledge, skills and abilities. It, in fact, didn't leave the attitude part behind as well. Those two years at AIMT were the best years concerning learning, experience and gaining exposure to fields relevant to my discipline.

At last, thanks to the faculty members and Training & Placement Cell for their continuous efforts in getting me placed. This endeavor will lead our college to incredible heights.

Two words; sincerity and perseverance, sum up my advice to my friends and peers. It is through honest and persistent devotion to work, that one can aim to excel not just here but even long after in the greater part of life.

- Manisha Aswal
(MBA - 14)

BOOK REVIEW

THE ALCHEMIST

-Paulo Coelho

The Alchemist is a classic novel written by Brazilian author Paulo Coelho. I personally like this novel, as it teaches many valuable life lessons. I came to know many new things that I wasn't aware of before, such as beginner's luck, how to know your true purpose in life, the soul of the world, the interconnectedness of all things, etc.

It is the story of the journey of a young Andalusian shepherd named Santiago. He left his home to follow his passion and to search for hidden treasures based on his recurring dreams.

Throughout his journey, Santiago meets numerous individuals, among whom one is a mysterious king who encourages him to leave his comfortable life as a shepherd and step out to find the hidden treasure. Further an Englishman; and Fatima, love of his life; an old alchemist who taught him about "destiny's principles" and "soul of the world".

Santiago encounters a series of challenges and moments of doubt. All these incidents make him understand the importance of listening to one's heart and following omens, or, we can say, sixth sense, that give him hints of future happenings and direct him in the right direction.

In the end, Santiago returned to the place where he started his journey, but he was transformed. He discovered that the treasure he sought all along was never about material wealth but the personal growth and wisdom he gained during his journey.

"The Alchemist" encourages readers to pursue self-discovery, listen to their hearts, take risks, and overcome obstacles. It makes us feel that the journey itself is more important and beautiful than the destination.

Ltd. , Dr. Rahul Taneja, Scientist, Haryana State Council of Science, Innovation and Technology, DST, Government of Haryana (joined in online mode), Mr. Sumit K Nandi, Assistant Manager - Strategy & Bus Intelligence, Ericsson (Alumni Representative).

KARGIL VIJAY DIWAS

Kargil Diwas is a solemn occasion to honor and remember the sacrifices made by the brave soldiers during the 1999 Kargil War. To commemorate this significant day, a virtual talk was organized on 26th July 2023, featuring Capt. Yashika Tyagi, a distinguished officer with commendable contributions to the Indian Armed Forces. The talk aimed to pay tribute to the heroes of the Kargil War and educate the audience about the valor and sacrifices displayed by our soldiers. Capt. Tyagi initiated the talk by emphasizing the importance of Kargil Diwas as a day to remember the indomitable spirit of the soldiers who fought fearlessly for the country. She recounted anecdotes of bravery and sacrifice, bringing the audience closer to the valor displayed on the battlefield. The talk included a brief overview of the Kargil War, explaining the strategic importance of the region and the surprise attack by infiltrators. Capt. Tyagi highlighted the challenges faced by the Indian Army during the conflict and how they successfully reclaimed the territory. The virtual talk by Capt. Yashika Tyagi on the occasion of Kargil Diwas served as a poignant tribute to the bravehearts who fought selflessly for the country. It not only honored their sacrifices but also instilled a sense of patriotism and responsibility in the hearts of the audience. The event successfully achieved its objective of fostering awareness about the Kargil War and the valor of our soldiers, leaving an indelible mark on the participants' minds.

INDEPENDENCE DAY CELEBRATION

On the bright and sunny morning of 15th Aug. 2023, the Army Institute of Management & Technology (AIMT), Greater Noida came alive with the spirit of patriotism and unity as it celebrated India's 77th Independence Day.

The event commenced with great solemnity as the Registrar of AIMT and the Principal of the Army Institute of Education (AIE) jointly hoisted the national flag. The unfurling of the tricolor was accompanied by a collective sense of pride and respect, echoed in the heartfelt cheers and applause from the audience. Following the flag hoisting, everyone stood in unison as the national anthem played, creating a sense of unity and respect for the country and its diverse heritage.

The ceremony then proceeded with inspiring speeches delivered by the Registrar of Army Institute of Management & Technology and the Principal of Army Institute of Education.

After the speeches, the event concluded on a delightful note as the attendees were treated to refreshments, promoting camaraderie and interaction amongst the AIMT community. It was a moment to relax and share thoughts, fostering a sense of togetherness.

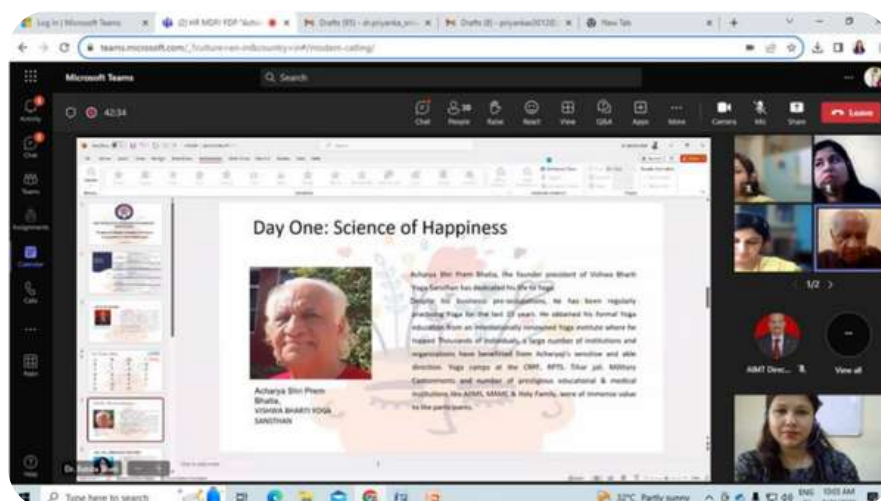

As the celebration drew to a close, a photo session was organized, capturing the moments of unity and patriotism. Smiles, handshakes, and laughter filled the air as everyone came together for memorable group pictures. The photographs would serve as a memento of the day and a reminder of the pride and unity that AIMT stands for.

FDP on "Achieving Excellence with Mental Wellness"

A five-day FDP/MDP programme was organized by the Army Institute of Management & Technology from 21st Aug. to 25 Aug. 2023, with the theme of Achieving Excellence with Mental Wellness. The objective of the FDP/MDP was to provide an in-depth understanding of mental wellness and dealing with stigmas around it. To help the participants learn to deal with stress in their professional and personal lives and to discuss the nuance of mental health at the individual and interpersonal levels. It was conducted in hybrid mode. Welcome address by Air Cmde Dr. JK Sahu, Director AIMT who spoke about "Whether young or old, the importance of mental health for total well-being cannot be overstated? When psychological wellness is affected, it can cause negative behaviors that may not only affect personal health but also compromise relationships with others. The first day session covered mainly the Science of Happiness. Acharya Shri Prem Bhatia, the founder and president of Vishwa Bharti Yoga Sansthan, has dedicated his life to yoga. He covered the first day's session, where he shared his personal experience of practicing yoga for 25 years. He spoke about taking care of oneself and focused on the stigma surrounding mental health.

Dr. Nilambara emphasized the importance of lifestyle choices, including social relations, consumption habits, entertainment, and fashion preferences, in personal growth. The Lifestyle Questionnaire helps individuals understand how their choices align with specific personality traits. Dr Nilambara emphasized that change is constant, and proactive change agents can embark on personal growth, transformation, and self-discovery by recognising the profound influence of lifestyle on personality.

Dr. Priyanka Shrivastav emphasizes the importance of self-management in stress management, recognising the automatic response to physical and mental demands. The Faculty Development Programme provides tools to assess stress levels and improve overall well-being, fostering awareness of stressors and their impact on overall happiness and well-being.

Dr. Babita Bhati's session aimed to improve workplace outcomes by fostering a comprehensive understanding of emotional intelligence (EI), enhancing interpersonal relationships, and improving workplace outcomes. Participants learned self-assessment exercises, practical strategies, and the importance of healthy relationships using "magic words."

On the fourth day, Dr. Shruti Gupta, Skill Associate Professor at Shri Vishwakarma Skill University, Haryana discussed the crucial topic of managing relationships in business and life. She introduced the Transactional Analysis framework, emphasizing the importance of effective communication and relationships. Gupta shared principles like active listening, empathy, open communication, respect, and flexibility.

Amitabh Kumar, an ICF PCC Executive Coach and Certified NLP Practitioner, led the fifth day of the Faculty Development Programme with a transformative experience. Kumar's dynamic exercise, "WOOP & AR," encourages personal growth and life balance through self assessment and the Wheel of Life, promoting a holistic perspective. Col Pandey(ret'd) delivered the valedictory speech during the conclusion of the Faculty Development Program (FDP).

INDUCTION OF NEW BATCHES

At AIMT the beginning of new batches is always a thrilling occasion. AIMT arranged a bridge course of fifteen days to sensitize new batches towards management education. In order to initiate this trip, AIMT arranged a number of events, with ice-breaking exercises taking center stage. The HR department coordinated the action packed session, which took place on 4th Sep 2023. Faculty members were assisted by Subham Pandey and Sourabh Singh of MBA-19 Batch to organize the activity. The goal of these activities was not only to welcome new students but also to foster a sense of community and belonging inside the institute.

TEACHER'S DAY CELEBRATION

A teacher offers a unique chance to create a profound and enduring impact on students' lives. On 5th Sep 2023, the Army Institute of Management & Technology seized the opportunity to express gratitude to every teacher who has tirelessly worked to enhance their students' lives with each passing moment. The day commenced with a poignant statement: "Instead of celebrating my birthday separately, it would be my proud privilege if 5th September is observed as Teachers' Day." These words, spoken by Dr. Sarvepalli Radhakrishnan, inspired our institute's close-knit community to come together. Students invited key figures in the institution, including Registrar sir, Director sir, teachers, and students from all batches. Weeks of preparation went into planning numerous events, as students aimed to ensure teachers felt the utmost joy.

The opening speech by the Registrar Col. Rajendra Pandey, set the tone and filled the audience with joy and inspiration. The celebration began with poetry, presented by a freshman who breathed fresh life into the atmosphere with his performance. Seniors proved their talent through melodious singing. Anticipation built as BBAs, led by the new batch, prepared to perform, injecting energy into the audience.

A day dedicated to teachers wouldn't be complete without their active participation. So, special games tailored for teachers brought smiles and cheer to the occasion, etching this day into our hearts as an unforgettable memory filled with respect for educators. Moving forward, MBA 20 stepped up, showcasing their talent in dancing, singing, and poetry, embodying the rich legacy of AIMT with every step they took. We all comprehend the pivotal role teachers play in shaping student's personalities and professional growth. Witnessing our teachers stand together on stage, smiling, made us feel blessed to have been guided by them.

"अज्ञानतिमिरान्धस्य ज्ञानाञ्जनशलाकया ।
चक्षुरुन्मीलितं येन तस्मै श्रीगुरवे नमः ॥"

These lines pay tribute to the guru who, with the torch of knowledge, opened the eyes of those blinded by the darkness of ignorance. The day concluded by presenting a small token of gratitude to the teachers and a group picture to cherish the moment forever.

Write-up Courtesy
K. Jitendra (MBA-20)

RE-ORIENTATION OF MBA 19, BBA 03, **BBA 04**

"Unleash your power within and live your dreams"

The re-orientation program held on 6th Sep 2023 for MBA-19, BBA-03 and BBA-04 batch was a crucial step in ensuring that students have a smooth and inspiring transition to their corporate journey. It provided them with a comprehensive introduction to the corporate culture, values, resources, and support systems, ensuring they are well-equipped with the information and are ready for their corporate journey. Holding this motive in mind, AIMT welcomed its guests and prominent speakers for the session with a welcome address by Air cmde (Retd.) Dr. Jayant Kumar Sahu Director, AIMT.

The guest speaker Mrs. Poonam Kaura has started her career in the hotel industry. She told students that along with academics they also have to groom themselves in various specific areas. She prioritized the importance of doing internships and acquiring practical knowledge and laid focus on improving soft skills like communications, listening and emotional quotient.

The second speaker Mr. Debojeet Sen focused on the importance of upskilling and maintaining good strong relationships. He explained how the golden circle works in corporate and how much importance self awareness holds in one's life.

The re-orientation program concluded with a vote of thanks given by Col. (Retd.) Rajendra Pandey Registrar, AIMT and a small token of gratitude to the guests for sparing their valuable time and enlightening the students.

GUEST SESSION BY BISLERI

PROFESSIONALS

AIMT organized a guest session with the company Bisleri, on 6th Sep 2023 to explore the knowledge and awareness about their waste management.

The session was initiated with some basic awareness about plastics, as it is an integral part of our modern lives, and its versatility has revolutionized various industries. However, severe environmental issues, including pollution and habitat destruction, have been caused by the rampant and irresponsible use of plastic. Essential practices such as plastic waste recycling and responsible plastic usage are considered by many to be crucial for mitigating these problems and creating a more sustainable future. To share their views on the same, prominent guests from the Bisleri team were invited to shed light on some of the practices and methods used by them to protect the environment on their part, without compromising their production scale and also giving back to society and the environment.

It was shown how irresponsibly discarded plastic often ends up in our oceans, leading to the formation of enormous floating garbage patches and harming marine life. Plastic can be ingested or become entangled by sea animals, disrupting their natural behavior and potentially causing fatalities. Additionally, as plastic degrades over time, harmful chemicals are released into the environment, contaminating soil and water sources. However, with all the alarming situations that can be led to by plastic waste, precautionary measures were shared with the students, following which the environment can be protected for the upcoming generations. It was shared that recycling plastic conserves valuable resources and energy. The production of new plastic from raw materials is an energy-intensive process, while recycling plastic requires significantly less energy. By recycling plastic, the dependence on fossil fuels is reduced, and greenhouse gas emissions are lowered. Furthermore, the demand for petroleum-based feedstocks, used in plastic production, is reduced through plastic recycling, thereby reducing the environmental impact of oil extraction and processing."

Towards the end, the Bisleri Team showed some of the products that they develop by recycling Plastic and along with a vote of Thanks a small token of gratitude was presented to the Team on behalf of AIMT by Air cmde (Retd.) Dr. JK Sahu Director, AIMT.

INSPIRATIONAL SESSION

AIMT organized a guest session on 7th Sep 2023 taken by Amitabh Kumar, an ICF PCC Executive Coach and Certified NLP Practitioner. He inspired the young minds to embark on the journey of managerial voyage which will lead them to the epitome of success. He advised the students to be happy and consciously driven towards the commitment and dedication towards their life.

He advised the students to practice gratitude in their lives to be content and poised.

ORIENTATION OF MBA- 20, MBA ANALYTICS - 01 & BBA-05

Orientation for new batches is a crucial step in the onboarding process for educational institutions, it is why AIMT organized an orientation program on 16th Sep 2023. The primary goal of orientation was to ensure a smooth transition for newcomers, enabling them to feel more confident and prepared as they embark on their educational journey.

To foster a sense of belonging and to set a positive tone for the days ahead, the session started with the felicitation of the guest speakers along with the Welcome Address given by Air cmde (Retd.) Dr. JK Sahu Director, AIMT where he mentioned environmental sustainability , the Importance of ethical leadership and mental wellbeing.

"Opportunity knocks once along with calculated risk" with these motivating words Col. Sumeet Sharma started with his Introductory Address and laid focus on the importance of overall development and grooming. Followed with other guest speakers like Mr. Abhijeet Mehrotra and Mr. Argha Chhaterjee who is a proud Alumnus of AIMT shared their views on upskilling , networking , confidence and ethical leadership and motivated the students. Last but not the least Mr. Vishal Mahajan shared the importance of reading and suggested some good and motivational books with the students like ' Art of Bitterfullness' - by Nandan Nilekani . Lastly the forum was open for questions where the new batches came up with their doubts and fears and the speakers beautifully shared some which was enlightening for everyone present there. The session concluded with the Vote of Thanks given by Col. Rajendra Pandey, (Retd.) Registrar, AIMT.

HINDI DIWAS

On the 14th Sep 2023, the Army Institute of Management & Technology (AIMT) in Greater Noida witnessed a vibrant celebration of Hindi Diwas. This day, dedicated to commemorating the significance of the Hindi language, was an opportunity for the AIMT community to come together and pay tribute to the linguistic and cultural diversity that defines India.

The celebration of Hindi Diwas at AIMT was an occasion marked by enthusiasm, patriotism, and a deep appreciation for the rich tapestry of the Hindi language. The program aimed to foster a sense of unity among students, faculty, and staff, as they recognized the importance of Hindi in India's cultural heritage and administrative landscape.

SESSION ON ARMY RECRUITMENT

A guest session on "Army Recruitment" was conducted by the Army Institute of Management & Technology. It was an honor to have LT. GEN. Navneet Singh Sarna, SM VSM, and the session was conducted on 18th Sep 2023.

The session was initiated with a group of young people discussing their reasons for wanting to enlist in the Indian Army. The Indian Army, comprising the Armed Forces, Navy, and Indian Air Force, three distinct military formations that are trained and equipped to combat on land, at sea, and in the air, respectively, was discussed. The Indian Army's slogan, "Service before Self," was strictly adhered to at all times. Intense training in various environments and climates was undergone by them to become accustomed to, adapt to, and survive in those conditions. Additionally, they could be assigned to locations with the harshest climates and temperatures. The harshest mountain ranges, the hottest deserts, the deepest trenches, the densest forests—all could be supported by them. Everywhere at all times, the Indian Army is served with the spirit of selfless sacrifice, great bravery, and courage in their hearts. A number of Army recruitment plans were then covered by Lt. Gen. Navneet Singh.

The session ended with a vote of thanks by Air Cmde (Dr.) JK Sahu, Director, AIMT.

VISIT OF GOC-IN-C, WESTERN COMMAND

AIMT was visited by Lt Gen Manoj Kumar Katiyar, AVSM, GOC-in-C on 19th Sep 2023. He was briefed on all AIMT activities, including the academic process, the status of MBA and BBA admissions, placement details, and the status of various projects.

THE RAKSHIN PROJECT

AIMT organized a remarkable online webinar as part of their NSS (National Service Scheme) activity, in collaboration with Sakshi NGO, which was conducted on 19th Sep 2023. It emphasized the importance of community engagement and social responsibility. During the webinar, a platform was provided for students and participants to learn about the inspiring work of Sakshi NGO. Insightful discussions on pressing social issues, including education for underprivileged children, healthcare accessibility, and gender equality, were featured in the session. Expertise and experiences were shared by distinguished speakers and panelists from both academia and Sakshi NGO. The key takeaways from the event included increased awareness about social challenges, inspirational success stories, and opportunities for students to get involved in community service. The role of youth in making a positive impact on society was emphasized by the event. AIMT's commitment to community development and fostering partnerships that create a better world was reaffirmed by this collaborative effort between the Institution and Sakshi NGO. More such impactful activities in the future are eagerly anticipated. The session ended with a vote of thanks given by Anjali Kumari of MBA-19, the NSS Head girl of AIMT.

FRESHERS PARTY 2023

That thumping heart, those eyes full of wonder, and the minds filled with fears aptly reflect how first-year students feel. Regardless of whether you are a graduate or a postgraduate, the fear of going to and getting to know a new place is always exciting and new, filled with confusion in the minds, anxiety in the hearts, and a sudden realization that they are going to spend a few years there with those faces around them.

Stepping onto a new life begins with day one of college but the real icebreaker is the Freshers' welcome party. For students being in classes is a routine affair but practicing for freshers parties, singing, and dancing is fun. AIMT had its new batches of MBA 20, MBA (Analytics) and BBA 05, joined senior batches for the fresher's party featuring a chic theme of pink and black color code based on recent Barbie and Oppenheimer movies.

The program was hosted by MBA 19 and BBA 03 & BBA 04, senior year batches, followed by a speech from the Director sir who inaugurated the freshers party, starting with the welcome dance which was performed by BBA and MBA students grooving to some Bollywood songs, the atmosphere was filled with excitement and enthusiasm as the students joined in on the dance floor, showcasing their own moves and enjoying the lively music, following this another event of singing and chorus that filled the seminar hall with melancholy, students were happy, nostalgic and singing along with the performers, which was a gala affair. The Fresher's party continued with various fun activities and games, providing an opportunity for new students to interact and bond with their peers.

The subsequent part of the program was the Mr. and Miss. Fresher's competition, in which MBA and BBA freshmen competed for the title, which consisted of many rounds starting from couple ramp walk, talent showcase, question and answer session. The participants showcased their unique talents, ranging from singing and dancing to poetry recitation and stand-up comedy. The judges were impressed by the confidence and creativity displayed by the freshers, making it a tough decision to select the winners for the coveted titles.

The purpose of the Fresher's Party was to bring together professors and students for socializing and enjoyment. The interaction between the senior and the junior batches was a great experience that helped them get over their social anxiety to get to know them more personally rather than strictly professionally .

The Fresher's party came to an end with the announcement of Mr. and Ms. Fresher's title winners. Luv and Palak from MBA Analytics 01 Batch and Rishima & Soumya from BBA 05 batch bagged the title. Extending this gala affair to a more fun part, DJ night was also organized. Students keenly danced their souls out. Events like this allow AIMT to break the ice and form meaningful connections between AIMT .

FACULTY TEAM HIGHLIGHTS

Dr. Anubhav Varma

Certifications:
