Student Counselling Cell

The aim of the Student Counseling Cell is to provide comprehensive guidance programs and services that will equip students with necessary knowledge, attitude and skills to become mature and socially responsible individuals. It aims to promote a just and humane society.

This is the motto of the Student Counseling Cell which functions as a part of Student Support Service (SSS) for student retention. The cell nurtures students through different activities and allows students to cross hurdles in the academic year thereby marching smoothly towards success. Apart from this, it helps the students to overcome class, social, and cultural barriers to complete their college education. The Student Counseling Cell is looked after by a group of faculties, Placement In-charge and students. Apart from the main in charge the other faculty members take up specific roles in the activities conducted. The committee identifies students who require services on priority along with their areas of deficiency and suggests the improvement required. The students once identified, are given academic as well as personal counseling.
