DISCLAIMER

- 1) Though adequate care has been taken while preparing the tender document, the Bidders shall satisfy themselves that the document is complete in all respect. Intimation regarding any discrepancy shall be given to this office immediately. If no intimation is received from any Bidder within dates mentioned in notification of tender / issuance of e-Tender documents, it shall be considered that the document is complete in all respect and has been received / acknowledged by the Bidder(s).
- 2) Army institute of management and technology (AIMT) reserves the right to modify, amend or supplement this document.
- 3) While this tender document has been prepared in good faith, neither AIMT nor their employees or advisors make any representation or warranty, express or implied, or accept any responsibility or liability, whatsoever, in respect of any statements or omissions herein, or the accuracy, completeness or reliability of information, and shall incur no liability under any law, statute, rules or regulations as to the accuracy, reliability or completeness of this document, even if any loss or damage is caused by any act or omission on their part.

DEFINITIONS

- 1) **Bid:** shall mean the Non-Financial Bid and the Financial Bid submitted by the Bidder, in response to this RFP, in accordance with the terms and conditions hereof
- 2) **Bidder:** shall mean Bidding Company submitting the Bid.
- 3) **Bidding Company:** shall refer to such single company that has submitted the Bid in accordance with the provisions of this RFP and if selected will undertake the project on DBFOT basis on its own balance sheet.
- 4) **Bid Bond:** shall mean the unconditional and irrevocable bank guarantee to be submitted along with the Bid by the Bidder under Section A, clause 8 of this RFP
- 5) **Bid Deadline:** shall mean the last date and time for submission of Bid in response to this RFP as specified in Executive Summary, Clause 5 of this RFP
- 6) **Required Capacity:** - The minimum required capacity of solar modules over the rooftop shall be 180KWp.
- 7) **Conflict of Interest:** A Bidder may be considered to be in a Conflict of Interest with one or more Bidders in the same bidding process under this RFP if they have a relationship with each other, directly or indirectly through a common company, that puts them in a position to have access to information about or influence the Bid of another Bidder.
- 8) **Consents, Clearances and Permits:** shall mean all authorizations, licenses, approvals, registrations, permits, waivers, privileges, acknowledgements, agreements, or concessions required to be obtained from or provided by any concerned authority for the purpose of setting up of the generation facilities and/or supply of power;
- 9) **DFBOT:** shall mean Design, Finance, Build, Operate and Transfer.
- 10) **Performance Bank Guarantee (PBG):** shall mean have the meaning as per Section A, Clause 9 of this RFP;
- 11) **Generator :** shall mean the selected bidder for the supply of electricity
- 12) **Procurer:** shall mean AIMT, Plot M1, Poket P5, greater Noida PIN 201310
- 13) **PPA:** shall mean the agreement to be entered into between the Procurer and the Generator pursuant to which the Generator shall supply power to the Procurer as per the terms and conditions specified therein;
- 14) **Evaluation criteria :** shall mean the qualification requirements as set forth in Section A Clause 6 of this RFP
- 15) **Scheduled Delivery Date:** shall mean the Date on which the Generator is required to start delivering the power at the Delivery Point.

EXECUTIVE SUMMARY

1. Background

Army Institute of Management and Technology, Greater Noida ("AIMT" or "Procurer") is approaching a limited number of solar power developers for signing a long term Power Purchase Agreement ("PPA") for a period of 25 years for procuring solar power through dedicated rooftop solar power plant.

The Procurer will sign a long term PPA with a solar power plant Generator ("Generator") for the installation of required solar plant capacity that will deliver minimum of 3.0 Lakhs units of solar electricity per annum. The power is to be delivered at the point of interconnection with AIMT electrical system at 160 KW.

The Bidder declared successful as per the conditions laid out in this document, would be taken through to a PPA signing phase.

2. RFP Capacity

The Procurer is looking to contract for 100% of the electricity generated from a 160 KW of solar power project, to be delivered at the Procurer's sites (AIMT). The contract period will be for 25years.

For the purpose of solar plant installation, AIMT has identified the an open area.

3. Bidder Requirements

For project being submitted under this RFP, the Bidder is expected to provide the information requested in Section A, which is limited to:

- Acceptance of the commercial terms under the project specifications
- Financial Bid offers as per the format in Annexure C
- A response to financial evaluation criteria as per format in Annexure A along with financial statements duly signed and stamped by auditor for the past 3 years
- A response to the non-financial evaluation criteria as per the formats in Annexure B.
- A response to the checklist for RFP Submission
- Bid bond as per Section A, Clause 8

Evaluation Criteria

(a) **Time and Date for Opening of Technical Bid.** It should be submitted in sealed cover indicating "Technical Bid" along with attested copies of all the documents and EMD. Technical bids will be opened by a board of officers in the presence of tenderer or their authorized reps who may be present at that time. (If due to any exigency, the due date for opening of the Bids is declared a closed holiday, the Bids will be opened on the next working day at the same time or on any other day/time, as intimated by the Buyer).

(b) **Time and Date for Opening of Commercial Bid.** Will be intimated later to those who qualify in technical bids. Tenderers are advised to read the RFP quote the prices keeping the bye-laws in vogue concerning with the present tender. The rates of Roof Top and Ground Based will be combined ie one rate of per unit. Unreasonably inflated deflated bids may be avoided. Any cutting/alteration will give absolute right to AIMT to reject the tender without assigning reason whatsoever it may be.

4. Process Timetable

Milestone	Date
Issue RFP	05 Nov2020

AIMT retains the right to amend the above process at any time and without providing any notice. Any costs incurred in respect of this opportunity will be the responsibility of the Generator.

5. Communications. All queries regarding the RFP or any other matter relating to this RFP should be directed to contact AIMT on 01202343501, 8527157533.

SECTION A-SUBMISSION REQUIREMENTS AND SPECIFICATION

1. Total capacity offered

Selection of successful Bidder(s) for procurement of Solar Power from Roof Top and Ground based solar PV system for capacity of 160 KW (Written separately for Roof Top 160 KW and on roof top shall be done through competitive bidding process and intimate . The bidders will give on undertaking to align the rates being offered with govt electricity rates in case the later falls in future.

2. Supply of power to AIMT

After completion of evaluation process a confirmation letter will be issued to the successful Bidder to sign a PPA with the Procurer for duration of 25 years.

3. Grid Connectivity

The responsibility of getting Net Metering connection from the distribution company shall be the responsibility of procurer.

4. Commissioning/Schedule delivery date

The solar power plant shall start supplying power to AIMT within four (4) months from the date of signing of PPA.

5. Delay in the Supply of Power

In case of delay in supply of power to AIMT by Generator, AIMT will be in its right to levy Liquidated Damages and encash PBG in the following manner:

- i. Delay up to one(1) month - 10% of the total Performance Bank Guarantee.
- ii. Delay of more than One (1) month and up to two (2) months - 20% of the total Performance Bank Guarantee in addition to the amount in clause-i above.
- iii. Delay of more than Two (2) months and up to four(4) months - 30% of the total Performance Bank Guarantee in addition to the amount in clause- i & ii above.
- iv. Delay of more than four (4) months - the remaining Performance Bank Guarantees.

Delay in the timelines for over and above four (4) months will lead to creation of the necessary grounds for AIMT for termination of PPA.

6. Evaluation Criteria

The evaluation process will comprises of the following steps

- a. Bid Evaluation of the non- financial bid(Technical)
- b. Evaluation of the financial bid
- c. Successful Bidder selection

A:- Bid Evaluation of the non-financial bid

Financial Criteria:

- i. Net worth: Net worth should be equal to or greater than the value calculated at the rate INR 2Crore in the last financial year preceding the bid deadline.

- ii. As a part of your response, bidder must also demonstrate financial stability to the Procurer's satisfaction. Bidders are required to provide financial statements of the last year accounting period duly stamped and signed by the Auditor. The Procurer may also conduct a credit check on your business.

The computation of Net worth shall be based on unconsolidated audited annual accounts of the Company. For the purpose of the computation of Net worth, last financial year shall be considered. A certificate from the chartered accountant to demonstrate the calculation of net worth would need to be submitted. A Chartered Accountant would mean a practicing chartered accountant within the meaning of the Chartered Accountants Act, 1949.

Bidders are required to submit the information in the format as prescribed in Annexure A signed by the authorized signatory.

Technical Criteria: (as per prescribed format at Annexure B)

(Roof Top)

1. The roof top will be handed over on as is where is basis hence preparation for installation will be responsibility of bidder and clearance of the scrap removal of existing old solar water heating plant and depositing the scrape value of the old water heating plant to AIMT main account.
2. The bidder will ensure that there is no damage to the roof / rooms below the installation of solar panels.
3. **Experience:** The Bidder should have acquired sufficient experience and capacity in building and/or operating grid connected roof top & ground based projects. This will be measured from the construction work being undertaken/ commissioned by the Bidder during the 3 years preceding the application date. The technical capacity of a Bidder will be assessed on the cumulative experience of DFBOT basis solar rooftop and ground based power projects.

(a) The Bidder must have prior experience of development and operation of at least one numbers of grid connected roof top and ground based solar power project of 160 KW or above on DBFOT basis in Delhi/ NCR commissioned at least 6 months preceding the bid deadline with Bilateral power purchase agreements.

(b) The bidder should have gotten net metering approval for one number of grid connected roof top and ground based solar project of 180 KW or above capacity on DBFOT basis in Delhi/NCR

(c) The Bidder should own at least twenty numbers of grid connected solar roof top/ground based plants with a cumulative capacity of 1000KW or above on its own balance sheet across India.

The Bidders will submit details with respect to all plants which are constructed and operational as part of the technical criteria.

All projects to be considered as a part of the technical criteria should have bilateral power purchase agreements and should be owned directly by the bidding company.

Bidders are required to submit the information in the format as prescribed in Annexure B signed by the authorized signatory.

Financial bids of only these Bidders will be evaluated who qualify the non-financial criteria.

B:- Bid Evaluation of the Financial Bid

Price (As per the format in Annexure-C)

General -The Procurer hereby invites quotations for solar power supply in the form of a flat tariff for a period of 25 years. However if commercial electricity rates falls below the tariff agreed upon, then bidder will reduces their tariff to match commercial electricity tariff.

For the avoidance of doubt, fixed prices should not include any adjustments for inflation (the price should be fixed in nominal terms for the duration of the contract).

C:- Successful Bidder(s) selection

- a. The Bidder with the lowest Tariff for 25 years in its financial bid shall be considered as L-1 and L-1 Bidder will be called for further negotiation.

7. Consents, Clearances and Permits

a. Permits and Clearances:

- a. The generator is required to obtain necessary permits for CEIG approval.
- b. The generator is required to obtain necessary permits for net-metering connectivity at the project site.

b. Material Issues:

- a. Information on any material issues that have been encountered to date including, but not limited to:
 - i. Blacklisting or debaring from participation by any Government or semi-government entity.

8. Bid Bond

- a. Each Bidder shall submit the Bid accompanied by Bid Bond of Rs fifty thousand in the form of a bank draft or an irrevocable bank guarantee (as per annexure D) issued by any nationalized or large private bank. The Bid Bond would be in favour of AIMT, Greater Noida.
- b. Bid Bond should be valid up to two months from the date of submission of the bid.
- c. The Bid Bond would be returned to all the unsuccessful bidders within 1 month of the bid opening and to the successful bidder on the date of PPA signing.
- d. The Bid Bond may be invoked by the AIMT or its authorized representative, without any notice, demure, or any other legal process upon occurrence of any of the following:
 - I. Failure to furnish the Performance Bank Guarantee as per annexure E; or
 - II. Bidder submitting any wrong information or making any misrepresentation in Bid.

9. Performance Bank Guarantee

At the time of signing of the PPA with AIMT, the Successful Bidder shall provide to AIMT the Performance Guarantee in the format provided in the Annexure E, for an amount of Rs 05 Lakhs. The Performance Guarantee shall be initially valid for 5 months from the date of signing of PPA. The Performance Guarantee shall be issued by any nationalized or large private bank.

1. Instruction to Bidders:

a. Submission of Responses

- I. A completed response to the RFP must be submitted in a single closed envelope, containing Envelope I (Non-Financial Bid) and Envelope II (Financial Bid), each one duly closed separately. Envelope I (Non-Financial Bid) and Envelope II (Financial Bid) should be transcript in the following way;

Envelope I (Non-Financial Bid) superscript –

“Response to RFP No. 003/Est/AIMT dated 22 January 2019.

Name of the Bidder:

Due for opening on

Envelope I: Non-Financial Bid

Envelope II (Financial Bid) superscript –

“Response to RFP No. 003/Est/AIMT dated 05 Nov 20

Name of the Bidder:

Due for opening on

Envelope II: Financial bid”

- II. Envelope I (Non-Financial bid) and Envelope II (Financial bid) for the Bid to be submitted by Bidders should be packed in a single closed envelope, with the following superscript:

“Response to RFP No. 003/Est/AIMT dated 05 Nov 20

The RFP response (only non-financial bid) should also be submitted by hand on or before the bid deadline.

Proposals received after the RFP Submission Deadline will not be accepted. The Procurer may, at its sole and absolute discretion, elect to extend the RFP Deadline.

Bidders should ensure that the Bids are submitted in hard copy at the following address :

Army Institute of Management &Technology

Greater Noida , 201310 (UP)

- III. Proposals may be withdrawn by written notice only, provided such notice is received via email prior to the RFP Deadline.

b. Response Conditions to the Bidder

- i. Proposals must remain valid till 25 Nov 2020.

- ii. Bidder must ensure that the terms, conditions and prices in your proposal remain confidential and are not communicated to or fixed or adjusted by arrangement or in collusion with any other party.
- iii. Bidder must be able to demonstrate fully on request its ability to fulfill any of the services for which proposal is submitted.
- iv. Bidder undertake to participate in any demonstration and/or project delivery walk-through required as part of the selection process.
- v. The information supplied by the Procurer in relation to this RFP is confidential and should not be communicated to any third party other than on a "need to know" basis as may be necessary exclusively for the purposes of preparing a response to this RFP.
- vi. Bidder shall not, and shall ensure that your employees, officers, (and any third party who is aware of this RFP) shall not make public statements about this RFP or disclose its existence without the prior written consent of the Procurer.
- vii. Bidder must respond to all requirements indicating proposal's compliance with or deviation (and accompanying explanation) from these requirements. Any omissions will be considered as non-compliance. The Procurer will be the sole judge as to what constitutes an acceptable deviation. If no deviations are indicated in your proposal, the Procurer is entitled to interpret that you offer to perform in full compliance with this RFP.
- viii. The Procurer will not pay any costs incurred by Bidder in the preparation and submission of your proposal (including the cost of any samples provided to the Procurer as part of the process). All costs associated with the preparation and submission of the proposal, including any costs incurred by you after the RFP Deadline, will be borne solely by you.
- ix. Notwithstanding anything stated above, the Procurer reserves the right to verify the authenticity of the documents submitted for meeting the technical criteria and may request for any additional information / documents. Procurer reserves the right at its sole discretion to contact the Bidder's bankers, past project clients, financing institutions and any other persons as necessary to verify the Bidder's information/documents for the purpose of qualification.

2. Acceptance and rejection of proposal

- a. Notwithstanding any other provision in your proposal, Procurer has in its sole and absolute discretion, the unfettered right to:
 - i. enter into negotiations with Bidder or with any other potential Bidder concurrently;
 - ii. accept any proposal (in whole or in part);
 - iii. reject any or all proposals (in whole or in part);
 - iv. accept a proposal which is not the lowest priced proposal;
 - v. accept a proposal that deviates from the specifications or any other conditions specified in this proposal;
 - vi. reject a proposal even if it is the only proposal received by the Procurer;
 - vii. accept all or any part of a proposal;
 - viii. cancel this RFP at any time.
- b. A proposal which contains an error, omission, or misstatement, which contains non qualifying conditions, which does not fully address all the requirements of this RFP, or which otherwise fails to conform to this RFP may be rejected by the Procurer in whole or in part. The Procurer may waive any non-compliance with the RFP, the specifications or anything required by the RFP and may elect to retain for consideration proposals which are non-conforming, which do not contain the content or form required by the RFP or because they have not complied with the process for submission set out herein.
- c. Your proposal will be corrected for arithmetical errors as follows:

- i. where there is a discrepancy between the amounts in figures and in words, the amount in words will govern; and
 - ii. where there is a discrepancy between any unit rate and the total amount derived from the product of the unit rate and quantity, the unit rate as quoted will govern.
- d. It is your responsibility to thoroughly examine these documents and satisfy yourself as to whether you fulfill the requirements of this RFP. Inadequate knowledge will not be accepted as justification for errors or omissions in any proposal.

3. Debriefings

In the event that your proposal is short listed or selected for further consideration and you are notified accordingly, such notification is not intended to and will not constitute an acceptance of your proposal and no binding agreement will arise from such notification.

4. Closure/change in location of procurer's offices

In case the Procurer plans to close its offices for which the supply is being contracted, the Generator will be compensated as per the details given in the PPA.

5. Advertising

Bidder must not disclose the issue and receipt of this RFP in any journal, magazine or other publication or any other medium or use the Procurer's or any member of the Procurer Group's name or logo (including any trade mark) in any of your advertising or publicity material without the Procurer's prior written consent, which may be withheld or given in the Procurer's absolute discretion.

6. Intellectual Property Rights

- a. Bidder are required to identify any patents or other intellectual property rights held by third parties of which Bidder is aware which would be affected/utilized in any way by putting into effect your proposal. You should also include in your response your proposals for dealing with these matters.
- b. All intellectual property rights in this RFP and all materials provided by the Procurer or its professional advisers in connection with this RFP are and shall remain the property of the Procurer and/or its professional advisers.

SECTION C-TECHNICAL SPECIFICATION

Technical Specifications

S. NO.	ITEM	Minimum Specifications
1	Solar Module	<ul style="list-style-type: none"> - Polycrystalline/ Mono crystalline modules of 310Wp or more. - 100% of PV modules must be subjected to Electro Luminescence Test (ELT). The module frame shall be made of corrosion resistant materials, preferably having anodized aluminum. - Linear annual electrical degradation of power which should not exceed 20% in 25 year. - Modules should be manufactured in India
2	Solar Inverters	<ul style="list-style-type: none"> - Three phase string inverters. - The combined wattage of all inverters should not be less than rated capacity of the solar modules installed. - PCU/inverter shall be capable of complete automatic operation including wake-up, synchronization & shutdown. - Anti-islanding (Protection against Islanding of grid): The PCU shall have anti islanding protection in conformity to IEEE 1547/UL 1741/ IEC 62116 or equivalent BIS standard.
3	Module structure mounting	<ul style="list-style-type: none"> - Mild Steel, Hot dip galvanized iron: 80 micron thickness. - Pre galvanized: 550 GSM Connecting elements - SS 304, Design wind speed: as per IS 875. - The mounting structure steel shall be as per latest IS 2062: 1992 and galvanization of the mounting structure shall be in compliance of latest IS 4759. - The total load of the structure (when installed with PV modules) on the terrace should be less than 60 kg/m².
4	LT Panel	CRCA Enclosure (indoor/ Outdoor mounting)
5	DC Power Cable	6 sq. mm; Annealed tinned flexible copper conductor Electron Beam Cross Linked - XLPO 120 deg C insulated and sheathed Single core 1.8kV DC rated Solar cable
6	AC Power Cable	Inverter to ACDB: <ul style="list-style-type: none"> - 3.5C, 16 sq.mm or above. - Copper Solar Cables XLPE/XLPO flexible 1100 V
7		ACDB to LT Panel <ul style="list-style-type: none"> - 3.5 Core, annealed plain flexible copper conductor, armored, XLPE type.
8	Cable trays/ conduits	<ul style="list-style-type: none"> - Cable Trays:- Hot dip galvanized as per IS 4759, 2629, 2633 - Conduits:- HDPE type, suitable for outdoor use.

9	Weather sensor	<p>Solar Irradiance: An integrating Pyrano meter / Solar cell based irradiation sensor (along with calibration certificate) provided, with the sensor mounted in the plane of the array. Readout integrated with data logging system.</p> <p>Temperature: PT100/ PT1000 temperature probes for recording the Solar panel temperature with readouts integrated with the data logging system</p>
10	Control and Communication Cable	CAT 6 shielded cables
11	Remote Monitoring System	- Remote monitoring system based along with web based monitoring portal for easy access of plant (from inverters, string monitoring, energy meter, weather sensors, etc.) data from anywhere in the world.
12	String Monitoring System	- Hall Sensor based string monitoring system.
13	Earthing System	<ul style="list-style-type: none"> - Earth electrodes shall have a precast Metallic enclosure with a removable lid for inspection and maintenance. - Earth Rod: Dia 17.2 mm, 3.0 mtrs long, copper coated (250 microns) steel rod electrode having exothermically welded terminal plate on top. Chemical earthing backfill compound
14	GI Strip for earthing	25 x 6 mm and 25 x 3 mm
15	Lightning Arrestor	<ul style="list-style-type: none"> - ESE conductors (Lightning Conductors Systems). - Protection radius of 107 mtrs at 5 m height (Level III) as per NFC 17 – 102 (CPRI approved) 2” dia & 10 mtr length GI mast with Base Plate and anchoring accessories for flat surface (suitable for metal strip or cable as down conductor)

SECTION D-ACKNOWLEDGEMENT FORM

This information can be returned in email format if preferred. A PDF scan of this document is also acceptable.

ANNEXURE A-FORMAT FOR FINANCIAL EVALUATION

[On the Letter Head of the Bidding Company with company stamp affixed]

REF: [Your Company's name and date]

From:

To:

[Insert Name of contact specified in Executive Summary Clause 6]

Dear Sir,

Sub: Response to RFP reference 05 Nov2020 for "solar power purchase agreement" dated [Insert date]

We submit our Bid for the total capacity of 160 KW [Insert total offered capacity in KW;] and the location of the project is [Insert location of project] for which we submit details of our Qualification Requirements.

We certify that the Bidding Company had a minimum Net worth of Rs.---- crore (Rupees ----- Crore) based on unconsolidated audited annual accounts of any of the last financial year --- -- [indicate last financial year]. This Net worth has been calculated in accordance with instructions provided in Section A Clause 6of the RFP. For the above calculations, we have considered the Net worth by Bidding Company for the financial year _____ as per following details:

Networth

Name of Generator	Net worth (INR crores)	Financial Year

Yours faithfully

(Signature & Name of the Authorized Signatory)

Date:

Note: Along with the above format, in a separate sheet, provide details of computation of Net worth duly certified by chartered accountant as well as last three (3) years financial statements duly stamped.

ANNEXURE B- FORMAT FOR TECHNICAL CRITERIA

[On the Letter Head of the Bidding Company with company stamp affixed]

REF: [Your Company's name and date]

From:

To:
[Insert Name of contact specified in Executive Summary Clause 6]

Dear Sir,

Sub: Response to RFP reference No. dated 05 Nov 2020 for "solar power purchase agreement" dated [Insert date] F

We hereby submit following details/documents in support of meeting the Qualification Requirements prescribed in Section A Clause 6 as per the below format

Experience

We certify that the Bidding Company has sufficient experience and capacity in building solar projects on DBFOT basis with bilateral agreements with the clients during the 3 years preceding the application date.

The details of the solar projects for meeting the Qualification Requirements prescribed in Section A Clause 6 are provided as follows:

Name of the Company	Project Name and Location	Project Capacity (KWp)	Date of Commissioning/ Commercial Operation	PPA and CEIG certificate.

Yours faithfully

(Signature & Name of the Authorized Signatory)

Date:

ANNEXURE C—FORMAT FOR SUBMISSION OF PRICE BID

[On the Letter Head of the Bidding Company with company stamp affixed]

REF: [Your Company's name and date]

From:

To:

[Insert Name of contact specified in Executive Summary Clause 6]

Dear Sir,

Sub: Response to RFP reference 05 Nov2020for "solar power purchase agreement" dated [Insert date]

We hereby submit our price bid (Provide details w.r.t to price bid)

Year	Start Year of Contract	End Year of Contract	Fixed Price for 25 Years (INR/kWh)

Yours faithfully

(Signature & Name of the Authorized Signatory)

Date:

ANNEXURE D- FORMAT FOR THE BID BOND BANK GUARANTEE

To

Dear Sirs,

1. Pursuant to clause 8 of Section A of the Request for Proposal dated..... (herein after referred to as "RFP")executed between M/s (herein after referred to as the "Supplier") (which expression shall, unless repugnant to the context or meaning thereof, include its successors, administrators, representatives and assignees), and Hony Secretary, AIMT, (herein after referred to as the "AIMT") (which expression shall unless repugnant to the context or meaning thereof, include its successors, administrators, representatives and assignees), the Supplier has agreed to provide this bank guarantee to AIMT.
2. We, the undersigned (Name of the Bank) (Address)....., (herein after referred to as the "Bank", which expression shall unless repugnant to the context or meaning thereof include its successors, administrators, representatives and assignees), hereby guarantee to the effect that we irrevocably under-take to pay AIMT merely on demand without any previous notice and without any demur and without recourse to the Supplier and without referring to any other source, any and all monies claimed by AIMT, but not exceeding INR..... (Rupees only) provided AIMT advise us that the Supplier has failed to fulfill his obligations stipulated in the said RFP. Any such demand made by AIMT on the bank shall be conclusive and binding, absolute and unequivocal notwithstanding any difference between AIMT and the Supplier or any dispute or disputes raised /pending before any court, tribunal, arbitrator or any other authority.
3. This guarantee will not be discharged due to the change in the constitution of the Bank or the Supplier.
4. The AIMT shall have the fullest liberty without affecting in any way the liability of the bank under this guarantee from time to time to extend the time of performance by the Supplier. The Bank shall not be released from its liability under these presents by any exercise of AIMT of the liberty with reference to the matter aforesaid.
5. The Bank also agrees that AIMT shall be entitled at his option to enforce this guarantee against the Bank as a Principal Debtor, in the first instance notwithstanding any other security or guarantee that it may have in relation to the Supplier's liabilities.
6. The Bank further agrees that the decision of AIMT as to the failure on the part of the Supplier to fulfil the obligations stipulated in the said RFP and/or to the amount payable by the Bank to AIMT shall be final conclusive and binding.
7. This guarantee is revocable only with the written consent of AIMT.
8. This guarantee shall remain in force upto and including and shall be extended from time to time for such period as may be desired by M/S..... on whose behalf this guarantee has been given.
9. In any case, our liability under this bank guarantee does not exceed Rs.....(.....).
10. Notwithstanding anything contained herein:
 - a) our liability under this bank guarantee shall not exceed (in words)
 - b) this bank guarantee shall be valid upto; and
 - c) we are liable to pay the guaranteed amount or any part thereof under this bank guarantee only and only if you serve upon us a written claim or demand on or before

Return of this document to us by you before the aforesaid date shall however, extinguish our liability as on the date of return.

ANNEXURE E: FORMAT FOR PERFORMANCE BANK GUARANTEE

To

Dear Sirs,

- 11. Pursuant to clause 9, Section A of the RFP dated..... (herein after referred to as "PPA")executed between M/s (herein after referred to as the "Supplier") (which expression shall, unless repugnant to the context or meaning thereof, include its successors, administrators, representatives and assignees), and AIMT, (herein after referred to as the "AIMT") (which expression shall unless repugnant to the context or meaning thereof, include its successors, administrators, representatives and assignees), the Supplier has agreed to provide this bank guarantee to AIMT.
- 12. We, the undersigned (Name of the Bank) (Address)....., (herein after referred to as the "Bank", which expression shall unless repugnant to the context or meaning thereof include its successors, administrators, representatives and assignees), hereby guarantee to the effect that we irrevocably under-take to pay AIMT merely on demand without any previous notice and without any demur and without recourse to the Supplier and without referring to any other source, any and all monies claimed by AIMT, but not exceeding INR..... (Rupees only) provided AIMT advise us that the Supplier has failed to fulfill his contractual obligations stipulated in the said PPA. Any such demand made by AIMT on the bank shall be conclusive and binding, absolute and unequivocal notwithstanding any difference between AIMT and the Supplier or any dispute or disputes raised /pending before any court, tribunal, arbitrator or any other authority.
- 13. This guarantee will not be discharged due to the change in the constitution of the Bank or the Supplier.
- 14. The AIMT shall have the fullest liberty without affecting in any way the liability of the bank under this guarantee from time to time to extend the time of performance by the Supplier. The Bank shall not be released from its liability under these presents by any exercise of AIMT of the liberty with reference to the matter aforesaid.
- 15. The Bank also agrees that AIMT shall be entitled at his option to enforce this guarantee against the Bank as a Principal Debtor, in the first instance notwithstanding any other security or guarantee that it may have in relation to the Supplier's liabilities.
- 16. The Bank further agrees that the decision of AIMT as to the failure on the part of the Supplier to fulfil the contractual obligations stipulated in the said PPA and/or to the amount payable by the Bank to AIMT shall be final conclusive and binding.
- 17. This guarantee is revocable only with the written consent of AIMT.
- 18. This guarantee shall remain in force upto and including and shall be extended from time to time for such period as may be desired by M/S..... on whose behalf this guarantee has been given.
- 19. In any case, our liability under this performance guarantee does not exceed Rs.....(.....).
- 20. Notwithstanding anything contained herein:
 - d) our liability under this bank guarantee shall not exceed (in words)
 - e) this bank guarantee shall be valid upto; and
 - f) we are liable to pay the guaranteed amount or any part thereof under this bank guarantee only and only if you serve upon us a written claim or demand on or before

Return of this document to us by you before the aforesaid date shall however, extinguish our liability as on the date of return.
