

ARMY INSTITUTE OF MANAGEMENT AND TECHNOLOGY
GREATER NOIDA
ISR CLUB EVENT

*The students of ISR Club organized a set of events along with the faculty of “Army Institute of Management and Technology” on the 2nd of October 2019 on the Occasion of **150th Birth Anniversary of “Mahatma Gandhi”** and **115th Birth Anniversary of our Former PM “Shri Lal Bahadur Shastri”**. This day was also considered to be the **5th Anniversary of “Swachh Bharat Abhiyan”** inaugurated by our Honorable PM Shri Narendra Modi in the year 2014.*

Cleanliness is a nation wide concept campaign for a “CLEANER AND A GREENER INDIA” which is the expression of this very idea.

*A dirty spot, a garbage dump, a polluted lake or everything that can be changed with a little effort becomes the subject of “SHRAMDAAN”, to decode, **SHRAM** means **Labour** and **DAAN** means **DONATION**.*

In order to make the utmost of this, the students of ISR Club organized a set of events syndicate wise.

Following events took place such as:-

- **Cleanliness Drive**
- **Tree Plantation**

Talking about Cleanliness Drive, each and every syndicate were allotted areas accordingly where the drive took place.

Regarding the Tree Plantation, every syndicate was provided with a sapling which they had to plant in their respective areas along with their mentor.

*With the end of the Tree Plantation event, the Club activity came out to be a success for the upliftment of a **CLEANER AND A GREENER INDIA.***
