

Staff Development Program 2021

As per NAAC and IQAC - Financial Planning

18th January to 23rd January to 2021

A Staff Development Program for the Non-Teaching Staff of Army Institute of management & Technology was organized on campus for 6 days from 18th January to 23rd January to 2021.

Financial planning is a process of planning and managing your money (current finances) to meet your life goals. Your current finances would mean everything that constitutes your money today—income, expenses, savings, assets and liabilities. Your life goals could be higher education, buying a house, planning for retirement, saving for marriage/child's education.

First day of Development Program Director Cmde Dr.Vivek Chawla gave a brief about how Financial Planning is important for every individual and discussed about saving and investment planning for better future. ,Further

Registrar Col Rajendra Pandey briefed about Institutional ethics and accountability Non-teaching staff as per AWES Blue Book .

Second Day Dr. Anubhav and Prof Dharini Discussed about different insurance schemes and created awareness among participants about how different types of insurance policies make life of an individual risk free. Also mentioned institution contribution in NTS Insurance Scheme and how they can avail those schemes during any kind of contingency.

Third Day Dr. Anubhav and Prof Dharini provided a brief to the participants about the Employee Provident Fund and how to plan for your future retirement and about different government schemes participants can apply and can have secured retirement with good amount of returns in hand.

Fourth day Dr. Anubhav Verma provided insight about the Tax and Investment Planning and how filling a return a return is important for every individual .

Fifth Day Bank Manager of Canara Bank SuryaBali Verma gave a guest lecture on banking and banking services provided by Canara Bank and how participants can avail different banking services which are good for investment and retirement planning.

Last day During valedictory session Director Cmde Dr.Vivek Chawla and Registrar Col Rajendra Pandey praised the Program organized by Institution and provide valuable insight on further how we can organize such development program for the development and upliftment of the staff .All the participants are awarded with certificate of participation for successfully completing the program

The objective behind organizing this SDP is to make the Non-teaching fraternity aware about their own personal financial planning & to make them their own financial planner. The objective of the Staff Development Program (SDP) is to equip the Staff in the Financial Planning domain with the relevant competencies and skills as required.
