The guests for the inaugural session were Mr Arun Prabhu- Aradhya, a renowned Author, Vice President at Amosta Solutions Pvt Ltd & Ms Garima Avtaar, Rally Racing Driver, Corporate Vice President at Delton Cables Limited

The inaugural Session started with invoking the blessings of the almighty by lighting the ceremonial lamp. Dr Shruti Gupta, Deputy Director AIMT welcomed the guest

The Session started with Ms Garima Avtaar who is an accomplished Woman Rally Driver who began her journey in Motorsports and rallying by being part of the highly sought after Team Mahindra, doing TSD (Time, Speed, Distance) rallying. This was the beginning of intensive racing action which won her laurels at the Desert Storm Rally, Raid De Himalayas, SJOBA Rally, Mughal Rally, Monsoon Challenge, Woman's Car Rally, various Auto-Crosses and Speed Sprints. She has been a part of the prestigious Mercedes Team of professional drivers for their Luxe Drive program and more recently as an instructor for a Porsche Test Run hosted by Porsche Centre Gurgaon. She is presently also the Country Committee Chairperson for Motorsports of the All Ladies League and Women Economic Forum. Ms Garima highlighted the importance of following one's dream to achieve great success in life in her Guest of Honor address

The Key Note Address was delivered by Mr Arun Prabhu- Aradhya, a renowned Author, Vice President at Amosta Solutions Pvt Ltd. Prior to this he has worked as Corporate VP at Datawind innovation pvt. ltd, Chief executive officer Sartrac Global, VP Pantel Technology Pvt Ltd, Vice president BSNL Tab. He started his career with an upcoming IT industry and soon started on his own. The next 15 years he saw a lot of ups and downs in his career and these years gave him an insight of why even after good education people fail in their life. This motivated him to write his experiences in the form of a book so that people can gain knowledge from his experiences. His first book "Count Your Chicken Before You Lay Them" has gained great acceptance and excellent reviews. He highlighted the importance of failures in one's life and how they are stepping stones to success

Dr Monika Jain, Programme Incharge Batch 2016-18 proposed the vote of Thanks

The day continued with an experience sharing session by the students followed by an ice-breaking session with the first year students and the final year students.
