### **Guest Session: THEMATIC APPERCEPTION TEST**

For the purpose of extracting the best out of HR students of AIMT, Mr. Rajbir Singh has conducted a guest session on the topic, THEMATIC APPERCEPTION TEST, which was very fruitful for the students of MBA-17 on 12 April 2022. Many new ideas and thoughts were discussed and shared throughout the session. In which we came to know about the Assessment process, Counseling Procedures, Structured and Semi Structured interviews and lot more. We also gained the idea about the social intelligence and self description.

The complete knowledge about the Projective Test was given and the procedure was defined with examples. We also acquired knowledge about various skill testing and skill setting objectives. We were given a task to write up a story by observing the pictures. There were totally 6 pictures given. This was a kind of test to know about our various thoughts and creativity of the students to evaluate the following subjects:

- Assessment Intelligence
- Organizing Skills
- Social Intelligence
- Sense of Responsibility
- Initiativeness
- Team Spirit
- Dianomy
- Emotional Intelligence

The result of our work helped to know the creativity and the deep knowledge skills, the way we assist the situation given. We also had discussion on the topic of Fear of Failure and Deep thought on work or common thought Thema.
