

ARMY INSTITUTE OF MANAGEMENT & TECHNOLOGY (AIMT)

AICTE SOP

General

The aim of higher education in India is to provide access, equity, and quality education at affordable cost to all aspiring citizens with transparency and accountability so as to ensure sustainable economic development of the nation. It is achieved through creation, transmission and dissemination of knowledge. The All India Council for Technical Education (AICTE) has been in existence since November 1945 as a national level Apex Advisory Body and as a statutory body through an Act of Parliament in 1987 with its mission of developing and promoting quality technical education in the country in a coordinated and integrated manner. The Council's constant endeavor is to encourage a meaningful association between the technical education system and research and development activities in a concerted effort aimed at nation-building.
